Dear Gabriella, Sharon the wonderful riders, staff, and the Stallions!!

You have taken our "breath" away and we loved it!!

Bella Vita residents are still talking and "bragging" to those that missed this great event. Thank you for being so accommodating and supportive of our seniors. You have given them another chapter for their "Book of Memories" and they are treasured to each.

As I mentioned to you, this has been at the top of our "WISH LIST" for several years, and now it will transfer to the "REPEAT LIST".

Bless all of you and the wonderful work/ performances you give to the public. It is a passion that is evident in each of you.....and oh, what a joy for all of us to see!!

Recreationally yours,
